President's Report

News from the President

What a fantastic season of netball we have had this year! This coming Saturday we will have 25 out of 34 eligible teams competing in the Semi Finals. Congratulations to all players, coaches and supporters from all teams for the hard work and dedication that goes in to the season of netball. Good luck to our finalists, it can be a stressful time, but let's turn that nervous energy into excitement for playing our best for our coach and our team. Whatever the result, we are all very proud of our club and the way we play and support the game we all love!

I would like to also thank a group of committee members who go silently about their jobs, and whom we could not do without.

Pauline Halfweeg our umpire coordinator does such an amazing job each and every week. Rostering and mentoring umpires, filling in when required (which is often) and dealing with little issues along the way. Thank you, Pauline!

Sue Mews who is our record keeper and always happy to help out with anything that she can. Recording F&B votes and player's games every week is no mean feat for 37 teams and Sue does this in a way that ensures our players are acknowledged for their milestone games as they happen. Many other clubs do not take the time to do this and we thank Sue for her hard work.

Gary Meredith our photographer who has been very professional in his approach this year. Thank you also to **Tammy Meredith** who has assisted him along the way. **Tammy** has also been a very active member of our general committee, bringing her knowledge and expertise to our sponsorship pursuits.

Sharon Andrews our newsletter editor, thank you for being patient and creating the newsletter to keep our members informed and involved. This really creates a sense of community. Again, Sharon is always happy to help in any way that she can and it is very much appreciated!

To our other general committee, **Kristy Williams, Paula Atwell, Elanie Lloyd and Emma Doyle**, we could not function without your assistance with all the little jobs that go into running such a big club. **Kristy and Paula** are always helpful with events and fundraising, **Elanie** is our link to FNA and **Emma** has been so helpful with our grants and building project.

The Rossmoyne Netball Club is such a wonderful community to be part of.

Meredith Willmott

SEEKING ENTHUSIASTIC, ORGANISED, ACTIVE, SOCIAL MEMBERS

Are you an enthusiastic, organised person? Do you like to actively work with others to create events that contribute to our club community and its prosperity???

The Rossmoyne Netball Club is inviting members to be part of a new group to help us plan events and initiatives that could support the club both financially and socially, creating strong connections between all levels of the club.

This group will not be required to attend general committee meetings but will report to the committee as necessary.

So maybe this is for you? If you are keen to get involved with our great club, make friends and have some fun we would really love to hear from you! Just email us at rossmoynenetballclub@gmail.com

Coaches Update

Congratulations to our wonderful coaches for the 2017 season!

It is fair to say that in all my years as Coaching Coordinator I have never had such an enthusiastic and dedicated group of coaches. Well done to 25 coaches who made the semi-finals, some for their very first time as a coach. Commiserations to those who didn't and I am sure you are already considering training plans etc for next year!!

I would like to thank our coaches for all their hard work and dedication they have shown over the last 15 weeks and wish them well for the rest of the season.

If you would like to coach for our great club next year, I am very happy to chat with you at any time. Please catch up with me at any of the remaining Saturdays, or at our end of year event.

Good Luck for the finals, I can't wait to celebrate with you all at the end of season function.

Narelle Morgan - Coach Coordinator

Umpiring Update

Thank you to all the umpires who have done club duties on top of their team commitments for the 2017 season, especially those who have filled in at the last minute. Good luck to all the umpires chosen to umpire finals for 2017. Having so many teams participating means that we need to provide just as many umpires!

Congratulations

To **Jessica C** (17/4) and **Risini S** (17/3) for achieving their C Badges in recent weeks. It is a great achievement and a great reflection on your umpiring ability.

To **Tori W** (17/3) for umpiring in the exhibition match at the State Netball Centre on WANL grand final day - that is a fantastic achievement.

To **Nina R** (JC7) for completing the FNA Umpiring Course in the July school holidays - sorry for leaving you off the last newsletter.

Junior Umpire Development Program 2018

Any players who think they would like to learn to umpire are welcome to register for the 2018 JUDP. The program promotes and encourages young people in the field of umpiring and to have a consistency in the technical and practical applications of umpiring.

The minimum age for participants is to be turning 14 in 2018.

If you wish to be considered for the program you will need to attend at least 1 trial in both 2017 phases. Successful applicants will then be invited to trial again in 2018.

Dates for trials, prerequisites, more information and applications can be found at

<http://www.fremantlenetball.com.au/umpiring/junior-umpire-development-program/>

The closing date for applications is **23rd September 2017**

If anyone has any questions please contact the club or FNA at

umpiring@fremantlenetball.com.au

Participants who complete the program will have the opportunity to umpire for the club in 2018.
