## **GRADING**

Hello Netballers!

Welcome to what I'm sure will be another fabulous season at the Rossmoyne Netball Club.

Please check carefully the dates you need to attend for grading into a team for the 2017 season.

The full grading schedule can be found on our website.

Grading commences on Tuesday 14<sup>th</sup> February. Players are expected to attend all sessions for their particular age group.

If you are unable to attend a session, please email the club or alternatively come and see me at grading to arrange a session for you to attend in another age group, where possible.

I will be in attendance for the first grading session of every age group at the beginning of the session. I am also happy to answer any questions you may have about the grading process and team selection at this time.

Good Luck!

Go Rossmoyne!!

## **COMMITTEE NEWS FOR 2017**

So, we welcomed a large number of new committee members at the end of the last year.

We have been busy getting everything organized for registration, uniforms and grading ahead of the season starting.

Since our presentation event back in October, we have held two general committee meetings, where we aim to create and administer club processes that fully support all our members.

I wish to wholeheartedly thank all our new committee for their hard work and commitment to being the best club we can be.

***Meredith Wilmott***  
***President 2017***

If you have any interest in joining our committee now or in the future, you are most welcome to express your interest to one of our committee members or via the club email. Those of you who have indicated you would be willing to assist during the season, we may call on you at busy times in the season as many of our committee also take on roles of coach, team manager and umpire during the season.
