## The Finals are here!

What a wonderful season of netball we have had! The weather gods have not been too kind to us but we hope that there has been a lot of fun, friendship and great sport going on out there on the courts at Fremantle Netball Association. This year we have a record number of teams playing in the finals! 23 out of 29 teams eligible for finals! That is nearly 80% of our eligible teams which is truly a testament to the dedication and commitment of our coaches, team managers, players and their supporters. I would also like to thank our hardworking committee who consistently take on extra jobs and roles to ensure everything runs as smoothly as possible. With finals upon us, there can be some added stress on our coaches and players. It is so important for everyone to make sure they attend any training sessions and fully support the coach in their decisions. No decision in the finals is taken lightly as our coaches have added pressure to get it right for the team to be successful. On the day, let's support our girls out there and encourage them to play in a sporting way, always respecting their opponents and umpires. The pressure is immense for the umpires and remember it is easy to see missed contact calls, stepping and off-sides from your comfortable stationary spot on the sidelines. Finals are an exciting time of the season and something we all strive to be part of, let's make it the best experience we can, whatever the result we are all so proud of every one of our members and supporters.

## Fundraising Corner

We have recently had two wonderfully successful fundraising events.

### ***Black and Bling quiz night – 6<sup>th</sup> August***

With Tanya McCracken as a superb quiz master, we were always going to have wonderful night. Thanks to very generous business support we were able to distribute lots of prizes and a wide variety of quizzes and activities resulting in lots of laughs. The bar was ably managed by Elanie Lloyd, Paige Newman and Greg Critchley. Lots of other club members contributed skills and energy in a variety of ways including Julia Sanders whose organisational energy seemed boundless! We raised \$5100 towards our building project.

### ***Cake Stall – 13<sup>th</sup> August***

### ***THE BEST IN FNA!***

Paula Hamer organised the cake stall again this year and did a truly wonderful job. The stall looked beautiful at the start of play and club members were busy serving customers for much of the morning. The club has it on good authority that FNA members were heard to say,

**“The Rossmoyne cake stall is the best!”**

Thanks to all those club members who so generously baked such lovely goodies and to the Team Managers for helping us to support this fundraising event. We raised a total of \$2400 towards our building project.

## Coaches Corner

I would like to formally thank all of our coaches for the 2016 season. It takes many hours to plan/prepare/train and coach our players and that without them we wouldn't have had the success or be the club we have been in 2016.

Thanks to Mark Brown & co. for running a development squad for the past 6 weeks.

If anyone has a passion for being involved and developing our players then maybe coaching is for you! Please get in contact with us via the club email address to register your interest.

## Umpiring Corner

### **Congratulations:**

The Rossmoyne Netball Club would like to congratulate three of our up and coming umpires on the achievement of their National C Badge this season. The umpires are Cienna W, Eliana A and Hannah M. This is just the starting point to the next step in their umpiring journey, but is a credit to the hard work they have put in throughout this season and previous seasons.

### **Fremantle Netball Association Junior Umpire Development Program:**

All three of the umpires who obtained the National C Badge this year have completed the FNA Junior Umpire Development Program (JUDP). This program will be running again in 2017 with the trials starting in October 2016. The best thing about the program is while the junior umpires umpire the FNA squad try outs they are given lots of coaching by the FNA Umpire Squad, and it is a stress free environment to learn. Everyone is invited to the trials and prior to the start of the 2017 season a group of about 30 are selected to go into the second part of the program. Registration information can be found on the FNA website through this link or under the Umpiring Tab:

## Registration Update

### **19 & Under teams returning to RNC in 2017**

Due to popular demand the Rossmoyne Netball Club will be fielding teams for the 19&Under age group along with the Senior competition in 2017.

Registered members aged 18 or 19 in 2017 will have the option to play in either age grade. If you played in the Senior competition this year and wish to do so again next year you will be very welcome to do this. However, if you'd like to play in the 19&Under competition this option will also be available from next year.

Online registrations open 1 January 2017.

## Uniforms Update

Uniforms and Jackets will be available to try on at the end of season Presentation event in October. We will have further opportunities in December, with these dates announced on our website in early November. It is essential that you are sized correctly before ordering a uniform for the new season. Good luck with the finals and see you soon.

***Terri Emin RNC Uniforms Coordinator***

## Key Club Dates

The **End of Season Presentation Event** will be held on **Sunday 23<sup>rd</sup> October** from 12:45pm – 3:30pm at the Riverton Baptist Community Church. It is a great chance for the club to celebrate the 2016 season and to recognize players, teams, milestones and the people that make our club so exceptional. We look forward to seeing you there. Please bring a plate to share. Hot and cold drinks will be provided.
