Welcome back to our next round of the Netball Season 2018

Hoping everyone has had a fantastic break over the school holidays?? Ready and keen to play? and have some fun?

During the holidays with much anticipation, we revealed our newly designed netball bibs to coincide with NAIDOC week, designed by local artist Ingrid Cumming with assistance from our members.

This Saturday 21st July 2018 is the Inaugural Indigenous Round at Fremantle Netball Association. On this day our teams will wear the Indigenous bibs and we will host a celebration event in the 9.20am game timeslot.

We invite all members to join us! More information will be coming to you via your Team Managers about how you can help celebrate on the day.

We, as a club, wish to acknowledge and celebrate Indigenous culture in an act of reconciliation, inclusiveness and to promote positive community values. We also believe that this initiative aligns with the True Sport Values #ShowRespect and #IncludeAll. We hope that our initiative has created a model for other clubs to acknowledge and celebrate Indigenous culture in the future and will develop a groundswell throughout the association, WA netball and the wider community.

We wish to acknowledge the huge support of the City of Canning who have financially supported all events associated with this initiative as well as awarding us grant money of over $1000 to purchase 10 sets of bibs to be shared across our 39 teams throughout the Indigenous Round.

Special thanks to Kym Buchanan, Terri Emin and Meredith Willmott who have worked hard to bring this initiative to a reality! We also thank Fremantle Netball Association for their enthusiasm and support and we thank the Noongar women and children that have supported and guided us through this process. Because of her, we can!

UNIFORMS

There are still a few people who have ordered but haven’t picked up their jackets/uniforms yet. Members who have not collected their RNC jackets/uniforms please contact the club for collection appointments, thank you. rossmoynenetballclub@gmail.com

UMPIRING UPDATE

Junior Umpire Development Program 2018

Congratulations to all the girls who completed the JUDP program this season it is great seeing you umpire games for Rossmoyne. Special congratulations go to Stephanie M (JB2), Jemah K (JB2), Laura R (JA4) and Tekani R (JB2) for achieving their C badges during the program This is a great achievement considering you are all in your first year of umpiring.

Congratulations

To Madison D (17/2) and Alexandra S (17/3) for achieving their C Badges in recent weeks. This is a great achievement and a great reflection in your umpiring ability. This is a record for Rossmoyne as we have never had these many girls awarded their C Badge’s in a season and we still have 6 games to go!!

2018 Smarter then Smoking Association Championships

Rossmoyne had two umpires this year, Elanie Lloyd (committee) and Tori White (19/1) umpired across the weekend earlier in June with Tori umpiring the 12s division 1 final on the Monday, congratulations girls.

Reminders

All umpires must wear a white shirt when umpiring!! Even if you are just umpiring on your roster for your team commitment. Please do not wear your Rossmoyne playing top.

Junior Umpire Development Program 2019

Registrations for the 2019 JUDP will be opening soon. It is open to players who are turning 14 in 2019. Stay posted. Anybody with questions about the program can email the club rossmoynenetballclub@gmail.com and your queries will be passed on to the umpire coordinator.

NETSETGO

RNC’s Inaugural NET Program Commences!
On Wednesday 9th May Rossmoyne’s inaugural NET program commenced with a group of 16 very excited young ladies keen to learn new skills and have lots of fun!
Coached by Jodi Pailthorpe and assisted by Junior A Grade players Amy and Kelsey, the girls took part in an 8-week program at our courts on Koolan Drive once a week after school.
The introductory tier of the NetSetGO program, NET focuses on fundamental movement and netball skills emphasising participation, cooperation and teamwork. The NET program is delivered in a non-competitive way and incorporates skill activities, minor games, music, dance and modified matches in a fun and safe environment.

Due to the overwhelming success of the program, places for Term 3 are now FULL.
Please keep an eye on our website for details about the program in 2019.

**Quiz Night**

Wow! What an absolutely fantastic night we had at the Quiz night! Quizzes, raffles, silent auctions, dress ups, air guitar challenges and lots of dancing! Thank you to everyone involved in putting it all together with special mention to our hardworking treasurer and events coordinator Julia Sanders and her team!! What a fantastic club and community we have!

Check out our Facebook page to see some photos!!

**A massive thankyou to all the businesses that made donations to our quiz night we raised $6400!!**

**Please support these businesses that support their local community.**

BUILDING PROGRESS

Our most grateful acknowledgements to Ali and Adam Butcher, the City of Canning, Ben Morton (the Australian Federal Government Stronger Communities Programme), Netball WA (Community Facilities Fund), Aurora Electrical Services and all of you, who have helped support our fundraising efforts over the last 6 years.

Our slab has now been poured and work has begun on our new storage facility block.!!!

This again has been an ongoing project and we are looking forward to this being built.

More news to come.
